"For we are labourers together with God: ye are God's husbandry, ye are God's building."
1 Corinthians 3:9

September 2025

Dear Brethren,

We pray this letter finds you well and that you are enjoying God's blessings.

As we continue on deputation, our hearts are full of gratitude for the Lord's protection and for your faithful prayers.

Deputation

Since beginning this journey in March, God has taken us through **Florida, Virginia, North Carolina, Kentucky, Tennessee, Michigan, Ohio, Illinois, Connecticut, Massachusetts, West Virginia, Missouri, and Wyoming**, and now we are in **Idaho**.

Along the way, we've had the privilege of visiting **more than 50 churches**, sharing our burden for Peru, and meeting so many wonderful brethren. Every stop has been a reminder that the Lord is at work, and it encourages us to keep pressing on. We still have quite a way to go before deputation is finished, which will be around March of next year, but step by step, God is leading and providing.

Our Family

On the family side, we are excited to share some wonderful news: the Lord has blessed us with another child! The pregnancy is going well, and just recently we learned that we are expecting a **baby boy**. Lord willing, he will be born in **Kentucky**, in the month of December. Praise the Lord, we've already been able to arrange a place to rent from the middle of November until the end of January. We would greatly appreciate your prayers for a safe delivery, for strength for my wife, and for all the details that come with this special season.

The Work in Peru

Meanwhile, the ministry in Peru continues to move forward. The **Berea Baptist Church in Arequipa** is holding a **Bible conference this week** and we are very excited about how the Lord is working. Several visitors have already arrived the first couple of nights. We ask you to join us in prayer that God would bless in a mighty way, encouraging and strengthening the believers there and saving more souls.

In addition, please continue to pray for the **building project for the church and camp facilities in Arequipa**. We still need about **\$40,000** to complete it, and we are trusting the Lord to provide in His perfect time. We are so thankful for the special offerings sent, with which we were able to buy 4 more containers! The men of the church will now start working on joining all of the containers together. Praise the Lord, we are advancing little by little!

Thank You!

We want to thank to every church, brother and friend that has been supporting us financially and with your prayers. We are amazed by the generosity that we have received. The accommodations, the love offerings, the meals, and the time of fellowship have been a tremendous encouragement for our family. **We also want to thank the churches that have taken us on for support. This is also a great encouragement for us and for the work in Peru.**

Please keep us in your prayers as we travel many more miles, as we seek new supporting churches, and as we balance family, homeschooling, and ministry on the road. Your prayers and encouragement mean more than we can ever put into words. We are truly grateful for the part you have in this work.

With love and gratitude,
